Cover photograph of drawing by Camillo Golgi reprinted with permission of Arnold B. Scheibel. (Drawing appeared in 1975 as jacket illustration for *The Nervous System*, Volumes 1–3, Raven Press, New York.)

*Journal of Neurobiology* is published monthly except for January and May, one volume per year, by John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158.

Copyright © 1993 John Wiley & Sons, Inc. All rights reserved. No part of this publication may be reproduced in any form or by any means, except as permitted under section 107 or 108 of the 1976 United States Copyright Act, without either the prior written permission of the publisher, or authorization through the Copyright Clearance Center, 27 Congress Street, Salem, MA 01970, (508) 744-3350, fax (508) 745-9379. Second-class postage paid at New York, NY, and at additional mailing offices.

The code and copyright notice appearing at the bottom of the first page of an item in the journal indicate the copyright holder's consent that copies may be made for personal or internal use, or for the personal or internal use of specific clients, on the condition that the copier pay for copying beyond that permitted by Sections 107 or 108 of the United States Copyright Law.

This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Such permission requests and other permission inquiries should be addressed to the Permissions Dept.

**Subscription price (1992):** $495.00 (institutional) per volume; $125.00 (individual) per volume. Outside U.S.A.: $620.00 (air service and handling included). Back volumes, microfilm, and microfiche are available for previous years; request price list from Publisher. Please allow four weeks for processing a change of address. For subscription inquiries, please call customer service at (212) 850-6645 or write to the above address.

Claims for undelivered copies will be accepted only after the following issue has been received. Please enclose a copy of the mailing label or cite your subscriber reference number in order to expedite handling. Missing copies will be supplied when losses have been sustained in transit and where reserve stock permits.

**Postmaster:** Send address changes to *Journal of Neurobiology*, Susan Malawski, Fulfillment Manager, Subscription Department, John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158.

**Advertising Sales:** Inquiries concerning advertising should be forwarded to Roberta Frederick, Advertising Sales, John Wiley & Sons, Inc., 605 Third Ave., New York, NY 10158; (212) 850-8832. Advertising Sales, European Contact: Michael Levermore, Advertising Sales Manager, John Wiley & Sons, Ltd., Baffins Lane, Chichester, Sussex PO19 1UD, England.

**Other correspondence:** Address all other correspondence to: Journal of Neurobiology, Publisher, Interscience Division, Professional, Reference, and Trade Group, John Wiley & Sons, Inc., 605 Third Ave., New York, NY 10158.

**Information for contributors** appears in the first and last issue of each volume.

The contents of this journal are indexed in the following: *Contents/Life Sciences, Science Citation Index, Chemical Abstracts, Excerpta Medica, Index Medicus,* and *Biological Abstracts.*

**This journal is printed on acid-free paper.**
